BENOLD A SOWER WENT FORTH TO SOW, AND WHEN HE SOWED, SOME SEEDS FELL INTO GOOD GROUND AND BROUGHT FORTH FRUIT, SOME AN HUNDRED FOLD.

THE SOW OF MAN SHALL SEND FORTH HIS ANGELS MESSENGERS-AND THEY SHALL GATHER OUT OF HIS KINGDOM ALL THINGS THAT OFFEND, AND SHALL CAST THEM INTO THE FIRE.

GOD'S POOR.

BY CARRIE E. WILLARD,
Lovingly dedicated to the suffering ones.

TOIL, toil, toil; From morn' till night,

With never a word of cheer:
How can the rich enjoy their wealth,
When they see the poor draw near.

Dear to Father, if not to them,
Are the suffering ones here below—
He tries to reach them, with loving words,

While the tears down their faces flow.

"Look to Me, My loved ones, look!
I will lead you out of your woe:
If you only trust Me, precious lambs—
On-to sunshine—you shall surely go."

Toil, toil, toil; From morn' till night,
But the sun is brighter to-day;
The whispered words, of joy to come—
Have smoothed the rough dark way

Breathe on me, Lord, I pray,
That I may do Thy will,
And dwell in the new day,
On Zion's Holy hill.

—Mary Fram Selby.

Bless the Lord, O my soul: all that is within me bless and praise His Holy name.

Bless the Lord, O my soul: and forget not all His benefits. Who forgiveth all thine iniquities, who healeth all thy diseases.

Though we may forget many of God's favors and blessings, yet the Psalmist exhorts us to specially remember these two special benefits. **How much** the latter is forgotten and

ignored is shown by the multitudes of professed Christians who apply to human physicians, ignoring the words of God in Math. 8; 17. He bore our sicknesses, etc.

The Building Fund.

WE wish to express our sincere thankfulness to our friends who are holding us up in their prayers and joining with us in special prayer on Thursday each week for money, for the erection of the building for the home and school. We feel that every state in the Union and Canada should be represented in this structure.

Below we give a statement of how the money is coming in by states.

"SEEKING THE KINGDOM."

WHILE riding horseback through the mountains recently, as I was returning home, bringing with me a little boy; I was taught a blessed lesson in regard to "seeking the kingdom." Jesus said, "suffer little children to come unto

Two Bible students spent a few days in special mission work, in the vicinity of their old homes. They went out with the "fire-brands" ignited, with the love of God for humanity, but with destruction to the "work of the devil." Nineteen homes visited and 22 persons found who couldn't read. Conviction seized the people as they called from house to house, and many melted to tears under the influence of the Holy Ghost fire burning within.

Another Sign

OF CHRIST'S SPEEDY RETURN.

"AND it shall come to pass in the last days sayth God—I will show wonders in the earth beneath; blood and fire and vapour of smoke." (Acts, 2: 17 19)

"A Strange Atmospheric Phenomenon in Southern Italy."

"The sky a Deep Red, and Rain Falling of the same hue."

"A strange Phenomenon is now witnessed Here," is the report from Palermo, Sicily. "Ever since last night a heavy red cloud has extended over the city, the sky being a deep red"

The rain now falling resembles drops of coagulated blood."

The report from Roam is somewhat similar! The Phenomenon

which is called "blood rain," now to be seen in Sicily extends, also, over southern Italy. At Rome the sky is yellow, and at Naples a rain of sand has fallen, the heavens being a dark red.

Men may speculate on the cause of this great mystery, but God's word says, it shall be in the last days, and no matter about the cause the fact remains the same, that it shall be in the last days, before the great and notable day of the Lord come.

Reader, be sure you have your lamps trimmed and oil in your vessel, for surely the time is nigh at hand, even at the door Wars, famines, pestilence, mens hearts failing them for fear. "He that heareth ears to hear let him hear."

A BOY' CONFIDENCE.

A little boy came to his father looking very much in earnest and asked: "Father, is Satan bigger than I am?"

"Yes my boy," said the father.

"Is he bigger than you are father?"

"Yes, my boy, he is bigger than your father."

"Is he bigger than Jesus?"

"No, Jesus is bigger than he is."

The little fellow as he turned away said with a smile, "Then I am not afraid of him."—Ex,

me and forbid them not for of such is the kingdom of heaven." Jesus also said, "seek ye first the kingdom, and all these things (food, clothing etc.) shall be added." The Spirit whispered to me and said, "the way to seek the kingdom is to seek children, for of such is the kingdom of heaven."

IMMORTALITY.

MY faith has been greatly strengthened by reading the words of one of the leading thinkers of the world, who says, "Immortality in the flesh is at the top of all subjects under discussion to-day, and it is going to lead the world of thought for the next thirty years, after which no soul will doubt it because it will be an accomplished thing." Does it seem too wonderful to believe? just think for a moment how all our days are crowded with majestic and epoch-making incidents' "History is being made with lightning speed," says the Daily Telagram. As I think for a moment of the rapid process of transforming events, and see the general awakening that is going on all over the world I cannot see why any one need to doubt that the time has come when death will be abolished, and God will wipe away tears from all faces. The bible is full of redemption from death, and

we need only to read with open minds to see that the life of Christ supplies the source of health and life to His people.

Those who see the wonders of the age and the rapidity with which great undertakings are finished are speaking confidently one to another of these expectations, and many believe that the Gospel of Healing and Life will be one of the most mighty forces in the present century. Organization, system, modern machinery, and all forces wisely used by the Lords people to carry the message to all nations will work wonders that will surprise the most enthusiastic. Dear hearts; let us be wonderfully in earnest to spread the glad tidings. Only think that the Morgan Steel and Iron Combination is a creation practically of a few days, although it is the greatest of all financial or industrial combinations, and wonderful as it may seem representing an amount of capital, equivalent to one-third, almost, of the debt entailed by the United States in suppressing the rebellion. Oh for a great combination speedily created to carry out the majestic undertaking of holding up Jesus Christ to the gaze of a hungry world in such a glorious light that all men will be drawn unto Him and see Him as a perfect Saviour. Who is ready for the crowning combination?
