Introduction

As a result of the covid pandemic of an unusual disease, cultures and world religions have collided. People have been displaced across the globe for various reasons. This therefore has caused a disruption in the spiritual influences of a region. Religious distress has occurred in the lives of God-fearing believers. Churches have closed its doors. Alternative mystical guidance has been sought after.

There has been the strong shifting of demonic influence since 2020 which scares me to the core. Occultic values have crept into many territories including school curriculum to reach our children at the youngest of ages. Some will not understand this message, but it still must be shared. Some will mock, but it still must be shared.

This pandemic has also placed paralyzing fear within the minds of many. Our voices are not as loud as they once were. We are not as corporate in our drive. This fractioning of people has caused disunity especially within the body of

Christ. Some of the churches which were forced shut, have reopened, but only now and then when convenient. Unfortunately, Christians are choosing silence over offending. In March of 2022, our ministry began fervently praying for reversal back to righteousness.

While we sit waiting to be told what to think and how to believe, there is a spiritual battle raging. One that is so great and organized that it will be hard for Christians to regain our foothold if we continue to look away from this reality. Our families, especially our children are under attack. Child trafficking is on the rise even in places never dreamed to even occur, our babies are having to wait to declare their gender and the media's brainwash to accept alternative lifestyles is so sly.

During the month of June, 2024 I began writing about being blinded by "Smoke & Mirrors" and published an article on our ministry site on July 1, 2024 as a call to wake-up to the demonic oppression which has sweep our world even greater than a physical virus. When 25 days later the opening ceremony of the Olympics was

broadcasted, the need for a stronger call to action was clear and the contents therefore came to life in written, bounded form on August 6, 2024.

The Clear Command

We are not to mess around in any way, shape or form with any type of witchcraft or divination. This is a command that the Bible is super transparent about. There is no question whether or not it's okay. In Exodus we are told not to tolerate a sorceress or a woman that has magical powers or paranormal abilities. In Leviticus it is clear we are not to practice divination or fortune soothsaying.

The message is so direct that in Leviticus 20:27 it says that a man or a woman who has a ghost or a familiar spirit shall be put to death; they shall be pelted with stones. Not just a slap on the wrist or a gentle verbal scolding. And I don't know about you, but to me, being stoned to death is a dreadful way to die.

Examples of Divination: Horoscopes, Astrology, Crystal gazing, Tarot cards, Ouija board

Deuteronomy 18:10-11 commands to, “Let no one be found among you who consigns a son or daughter to the fire, or who is an augur, a soothsayer, a diviner, a sorcerer, one who casts spells, or one who consults ghosts or familiar spirits, or one who inquires of the dead”. There is no question about it. These practices are all wrong. Period. End of story. No debate. No talking your way out of it. It can’t get any clearer. We know what will happen if we are tempted with this nonsense.

Remember what happened to Aaron’s sons when they played with false fire. There are no second chances. The consequence is eternal. Division from Christ. No Heavenly reward. It is serious. It’s not a game. Right? Are we clear to this point? Of course we are.

THOUGHTS

Ignoring the Call

But are we really clear? All this stuff was surely just in Biblical times. Does Hocus Pocus exist today? Nah, it's a fictional movie that's no big deal to watch time and time again. We are surely strong enough to resist the indoctrinating. But are our children? We allow them to watch "The Little Mermaid" and suppress the small detail that one of the characters is a sea witch. HELLO...

Identifying with such has become popular to the point we ignore when our children mark their foreheads with lightning bolts. Really! An iconic symbol of danger. In what reality is this okay? Society is gradually conditioning us toward the acceptance of the mark.

It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their right hands or on their foreheads, so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name. - Revelation 13:16–17

And I'm not even going to go down the rabbit trail of all the dark children's songs we sing where babies are falling from trees and children are plagued with rings around the rosies. We have sadly fallen asleep, missing the command for so long.

Leaving the Faith

1 Timothy 4 shares that the Holy Spirit clearly says that in the last days people will leave the faith. They will follow spirits that will fool them. They will believe things that demons will teach them. Teachings like those come from liars who pretend to be what they are not. Their sense of what is right and wrong has been destroyed.

In June, 2011, the Lord gave me word that “The Church is not a prize to possess, but is a

treasure to give away” to the next generation. Because of this desire to covet what should be shared, there has been an exodus of youth from the church.

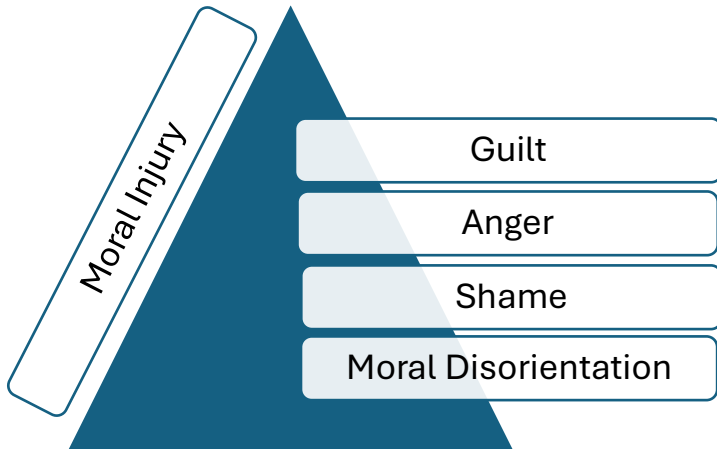

The House of God has turned into a desired possession. We have become so self-consumed with how the church can bring us social status and promotion that we have neglected to be a witness of the kindness and goodness of our loving God.

For years the church has been a place of hypocrisy and today’s young generation is one that is fed up with the dishonest masks of deception. Young people are tired of religious politics, bickering, backstabbing and lying and are leaving the faith and going down a dark path.

We need to make a self-less effort and remember that the church does not exist for our personal entertainment. We must do whatever it takes to restore the tabernacle to its original purpose; to call its people back to holiness.

Moral Injury

Covid has left many with some form of brain damage or simply confusion which has been termed as “brain fog”. This “fog” results in impaired emotion processing with abnormal pattern of judgments on moral dilemmas. Our sense of morality has been altered. The unusually stressful circumstances that humanity was stricken by, has resulted in moral injury.

Furthermore, this disorientation that many experience today prevents us from truly grasping and retaining the Word of God. It is difficult to know how to remain faithful to Him without

knowing His Word. The comfort of scripture is also lacking when we cannot process information properly.

THOUGHTS

Days of Enchantment

These are with no doubt the last minutes of the Last Days. Confusion is a norm. Children are pressured to choose their gender without parental consent. Images of the god Moloch are viewed with the natural eye, but not seen with spiritual understanding. We must take heed that no one lead us or any of our children astray. Demonic enchantment leads to uncertainty. One can easily misinterpret and be misled in an instant.

The entertainment industry, for one of many examples, has completely enchanted us. They no longer even attempt to hide the fact that they are bewildering with hidden, confusing agendas. Right is wrong and wrong is right. Good is bad and bad is good as we have been warned it will be in the Last Days.

But woe to those that do this.

*For many will come in my name, claiming,
'I am the Messiah,' and will deceive many
- Matthew 24:5*

How have you witnessed people being misled into believing nontruths?

Call Out Sin

If your brother or sister sins, go and point out their fault.. - Matthew 18:15-20

We first ignore the evil, then we tolerate it, then we promote it and then make fun of the people that still call evil, evil. But that's okay. Make fun of me if you wish. Call me strange. Protecting the God-intended family unit is more important than the opinion of others. God ordained the family to be the foundational institution of society and if it is broken, then the walls of society will crumble. Sin should be called as it is. This is my belief, and I should not be persecuted for it.

Gay love is
sodomy

Gendering
correction is
mutilation

Platonic
relations is

Stretching the truth is

Pro-choice

Friends with benefits is

We are all sinners as Romans tells us, but we are not to seek out sin or condone it all while we are to refrain from judging others. This means we must call out sin as it is, so we do not become separated from God. And yes, we are to love the sinner, as God loves all his children, but hate the sin.

How can one call out sin with kindness?

Attempts to Transcend Truth

But, All Saints Day Eve T-shirts that say “I eat children” or “You put a spell on me” are just for humor. Haunted houses with ghosts, goblins and much more horrific monsters are merely for the thrill. Toy cauldrons that are paired with a mystical plushie that can help you cast a spell and the classical magic 8 ball that help you

predict the future are just so cool. If all these are for entertainment purposes only; it surely can't go against God's Word.

Well in Act, Elymas became temporarily blind when he performed magic. I think this might be a clue whether or not it's an okay thing to do. Simon in the New Testament did magic like he was God. He tried to transcend the Truth, but his heart was not right. This still happens today in many places including heavily in the territory of Cyprus. The occultic influence is so burdensome that it is hard to break through the spirit of oppression and depression.

Signs of Demonic Oppression

- 1. Feeling depressed
- 2. Excessively anxious
- 3. Restless night terrors
- 4. Unending life difficulties

Being Blinded

We are so blinded that we don't even think when we say things like "mumbo, jumbo" which comes from the African term for a male masked dancer of arcane rituals. We loosely say, "It's not in the cards". Well duh....this is referring to a fortune teller's reading. Tarot cards and ouija boards are no game. We might should read about King Saul's experience when he sought out a medium at Endor. It's real stuff you do not want to tangle with. Demons are real. And they will control your life every chance they get. Even worse, they will prow on the innocent and malleable minds of our children.

We have been so misled by false mysticism that we have lost sight of Biblical truths. Yes, the Bible still has truths and not suggestions. So why do we think it's okay to read fantasy stories that promote these distorted practices. We think it's okay to dabble with the dead because it's just a silly graveyard game. We think it's not a problem to use the ghost filter because they are so cute like fluffy marshmallows.

Paranormal cartoons and TV series that promote attractive vampires are harmless. Anime is an innocent escape from reality in which we can create a distinction between real world and make-belief violence, sexual content and Japanese influences.

False
Mysticism

Pantheistic mystics substitute nature or the universe for god

Idol-worshipping mystics have a false god, as their god-object.

Pagan mysticism adds drugs, sex, dance, self-inflicted pain, sleep deprivation, yoga...

Islamic mysticism calls to an experience of ecstatic states to commune with a higher power

Buddhism aims at liberation from the cycle of rebirth by self-control through meditation and morally just behavior

And let's not forget the fashionable witch and wizard hats. It's no big deal to dress up in a costume. It's only once a year. And goth is only dark clothes, right? But these are all so far from

the truth. If your child is wearing dark clothes, dark make-up and bondage accessories, don't ignore their cry for non-judgmental inclusion. It's a slippery slope.

We have been so blinded by the smoke and mirrors that we can't see the path of darkness our children have chosen. The innocent babies that would peak up from under the pews of the church house have gone missing. This young generation is wandering looking for a place of refuge and they no longer find a safe place in the church house.

There is no longer trust within the church. The place of worship has turned into a place of gossip. A spiritual encounter has been replaced with a social gathering. The leadership of the Holy Spirit is no longer considered because we are too busy worrying about the opinions of others and constructs of religions and denominations. Our children are looking beyond the four walls of religion for a true experience.

Don't Be Deceived

Jannes and Jambres who opposed Moses in front of the Pharaoh were only deceivers, corrupt in the minds and worthless in the faith. I personally don't want to be considered a deceiver, or corrupt or worthless. I want my heart to be in the right place. I choose life in Christ.

Allah is not God. Buddha is not God. Muhamad is a false prophet. No human, not even the pope can save you. A goddess or animal has no true power to save you. There is only one true way through Jesus Christ.

I will do my best to be separate from contrary beliefs and practices. I don't even want to be tempted with the euphoric "pleasures" that they are thought to bring. No looking back. I want to be the salt of the earth not a useless pillar of salt. Forward we must go. Undistracted by smoke and mirrors.

THOUGHTS

Turn Away from Evil

It took years of planning to create such a divisive demonic display as in the 2024 Olympics opening ceremony. These works are child's play to what's to come if we do not repent. The imagery of sacrificing children to the gods will come to life in one way or another if we do not turn from our evil ways. Abortion is murder, gender reassignment surgery is mutilating procreation.

The first born is being sacrificed even before his or her first breath. This must stop. The Bible calls against child sacrifice over two dozen times and even more so today we must stand against this evil.

When Shadrack, Meshak and Abednego were thrown into the fire, they were just children. A day is coming when these practices of the past will reappear just like in 2 Kings 17 when the Israelites caused their sons and their daughters to pass through the fire and used divination and enchantments and sold themselves to do evil in the sight of the Lord.

All of this happened because the Israelites began worshipping other gods. They began secretly doing things against God that were not right. We must turn away from evil even if we think nobody is watching.

What are your experiences of discerning evil?

Chosen to Be Different

Just as the Israelites were not supposed to be like the surrounding nations in Canaan, God has commanded us to be different. We are not to bow down nor serve any other gods or even serve them or promote them in any way. We are to overthrow them and completely break down their sacred pillars - Exodus 23:24

We must destroy the idols even though this may mean destroying what your family built as seen in Gideon's testimony. We must not repeat the sins of our fathers, but repent and make a choice to be different. We are called to righteousness and if we remain apart, then all will be okay. We will enjoy the fruits of our deeds.

Claim Your Territory

I will maintain claim to my family and my territory. It is true that we are to love everybody, but when we allow wicca influences to come into our community and begin to bewitch with innocent terminology like "apothecary", "mood

balancing” “centering” then we should be alert. Their idea of “alter” is not a Godly one.

It’s definitely not a southern phrase when they say “blessed.” Astrology is not just looking at the stars either. Charms are not just cute trinkets and crafting is not an art project. God is the maker of all things. The moon, stars and all of nature belongs to Him and should be cherished as intended. Bodies grounding and moving to find peace should be center in Christ and not in Hinduism, Buddhism or Jainism. This is a warning to remove the blinders before there is no chance to turn back. Wake up people! Protect yourself and your family.

Lists ways you can claim your territory:

- 1. _____
- 2. _____
- 3. _____
- 4. _____

Take Authority

If we walk with the WHOLE armor of God, we will be strong against the schemes of the devil. God gave believers the authority over demons. Through Christ, you can overcome them without being harmed. So do not fear. Be confident.

Behold, I have given you authority to tread on serpents and scorpions, and over all the power of the enemy, and nothing shall hurt you. – Luke 10:19

Gideon was a timid man from the weakest family and of the smallest tribe in Israel, but God chose him as a deliverer of His nation. He had trouble believing his influence even though the enemy already knew that they were defeated. The battle has already been won. If the enemy can believe it, why can't we?

Take authority in the name of Jesus regardless of what lies the devil tries to whisper in your ear. You are destined for greatness even though the battle is hard sometimes.

We know that we will have to wrestle against the rulers, against the authorities, against the cosmic powers over this present darkness, and against the spiritual forces of evil in the Heavenly places. Therefore, we must fast, pray and train in His word to stay ready to fight with confidence.

Epilogue

In 2019, the Spirit nudged me to the understanding that **by 2026**, the idea of pandemic will be exhausted. The mentality of those who endure the crises will be permanently changed. Artificial Intelligence will form a new subculture for those open to be influenced.

For those who have remained outside of the system, off the grid, as sovereign citizens or similar, it will be difficult to participate in society. There is no hiding from the star of one's "true identity" with constant biometric monitoring virtually everywhere. Christians are the minority now.

By 2027, if the Lord terrifies, our world as we knew it will be nonexistent **if we do not firmly stand against the demonic warfare** that is so ever present. We are battling a force which is so great it influenced angels to fall from Heaven and caused God's chosen people to turn from His protection.

The Good News is that God always some way sends a warning to his people if they will only

take heed and listen. He is a loving God full of kindness, but there is no room for demonic works in His Kingdom.

I will not stand by quietly and allow any born or unborn child to be sacrificed. Our sons and daughters will not pass through any fire. They will not be offered as any burnt offering. I declare that my children will be the ones to prophecy and to see beyond worldly understandings.

Will you accept the call and take a stand against evil; to declare that you will not tolerate sorcery or magic or divination or witchcraft or any demonic confusion in any way?

21 Scriptures Against Spiritual Warfare

Ephesians 6:11-13 Put on the whole armor of God, that you may be able to stand against the schemes of the devil. For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.

1 Peter 5:8 Be sober-minded; be watchful. Your adversary the devil prowls around like a roaring lion, seeking someone to devour.

2 Corinthians 10:3-5 For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ,

James 4:7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.

Luke 10:19 Behold, I have given you authority to tread on serpents and scorpions, and over all the power of the enemy, and nothing shall hurt you.

For he will deliver you from the snare of the fowler and from the deadly pestilence. He will cover you with his pinions, and under his wings you will find refuge; his faithfulness is a shield and buckler.

Isaiah 54:17 No weapon that is fashioned against you shall succeed, and you shall refute every tongue that rises against you in judgment. This is the heritage of the servants of the Lord and their vindication from me, declares the Lord.

John 8:32 And you will know the truth, and the truth will set you free.

Romans 12:21 Do not be overcome with evil, but overcome evil with good.

1 Timothy 6:12 Fight the good fight of the faith. Take hold of the eternal life to which you

were called when you made your good confession in the presence of many witnesses.

Isiah 40:31 But they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint.

Joshua 23:10 One of your men puts to flight a thousand, for the Lord your God is He who fights for you, just as He promised you.
